Jambon de Bayonne

Cured Ham from the Basque Country

One of the legendary hams of Europe, Jambon de Bayonne has been made in southwest France and sold at the port of Bayonne for generations. Made in adherence to strict PGI rules, true Bayonne ham can only be made with pigs born and bred in and around the Aquitaine, Midi-Pyrénées, and Poitou-Charentes regions. The hams can only be salted and aged in the Adour river basin and the unique microclimate of the region gives these hams their unique character. Bayonne hams have long been unavailable in the US and we are excited to partner with our friends at Agour to introduce this specialty. Each leg is worked by hand and aged for at least 12 months, bringing out the full flavor profile that makes these hams famous. Jambon de Bayonne is an important part of the regional gastronomy and can be found in farmhouse kitchens and on Michelin-starred menus. It is often sliced and fried, which highlights the savory flavors and aromas. One of our favorite dishes is the traditional farmer's meal of fried Bayonne, scrambled eggs, and piperade, a Basque stew rich with peppers and tomatoes.

Satio Collection Philosophy
